Google earth

Scripture quotations are taken from the King James Version of the Bible.

Take note that the name satan and related names are not capitalized. I believe that he does not deserve that honor, even to the point of violating grammatical rules.

# Dedication

This work is dedicated to the soon coming Lord Jesus Christ, who died for me and set me free from the power of sin and death. It is by His indwelling, power, and wisdom that I have the privilege to serve Him in love for all that He has done for me. And it is by His leading that I have been able to discover what is contained herein—to Him be the glory. I look forward to the day when He will rapture Christians to His side and further when we will return with Him to inherit the earth and rule in peace and righteousness.

# Part 1

## The Encoded Map on the Dollar Bill

There is a hidden map on the back of the dollar bill and you are not going to believe where it leads! That's right; I firmly believe there is a hidden map encoded on the back of the dollar bill that leads to a place that left me astounded, and has great eternal significance. Hold onto your hats, and let the journey begin, as I reveal the map hidden on the dollar bill!

Many years ago I ran across data that suggested that the dollar bill, as the trestle board for the destruction of the Old World Order and establishment of the New, contains encrypted information regarding the United States and the end of the world. This prompted me to investigate the images and design of the dollar bill to see if I could find anything.

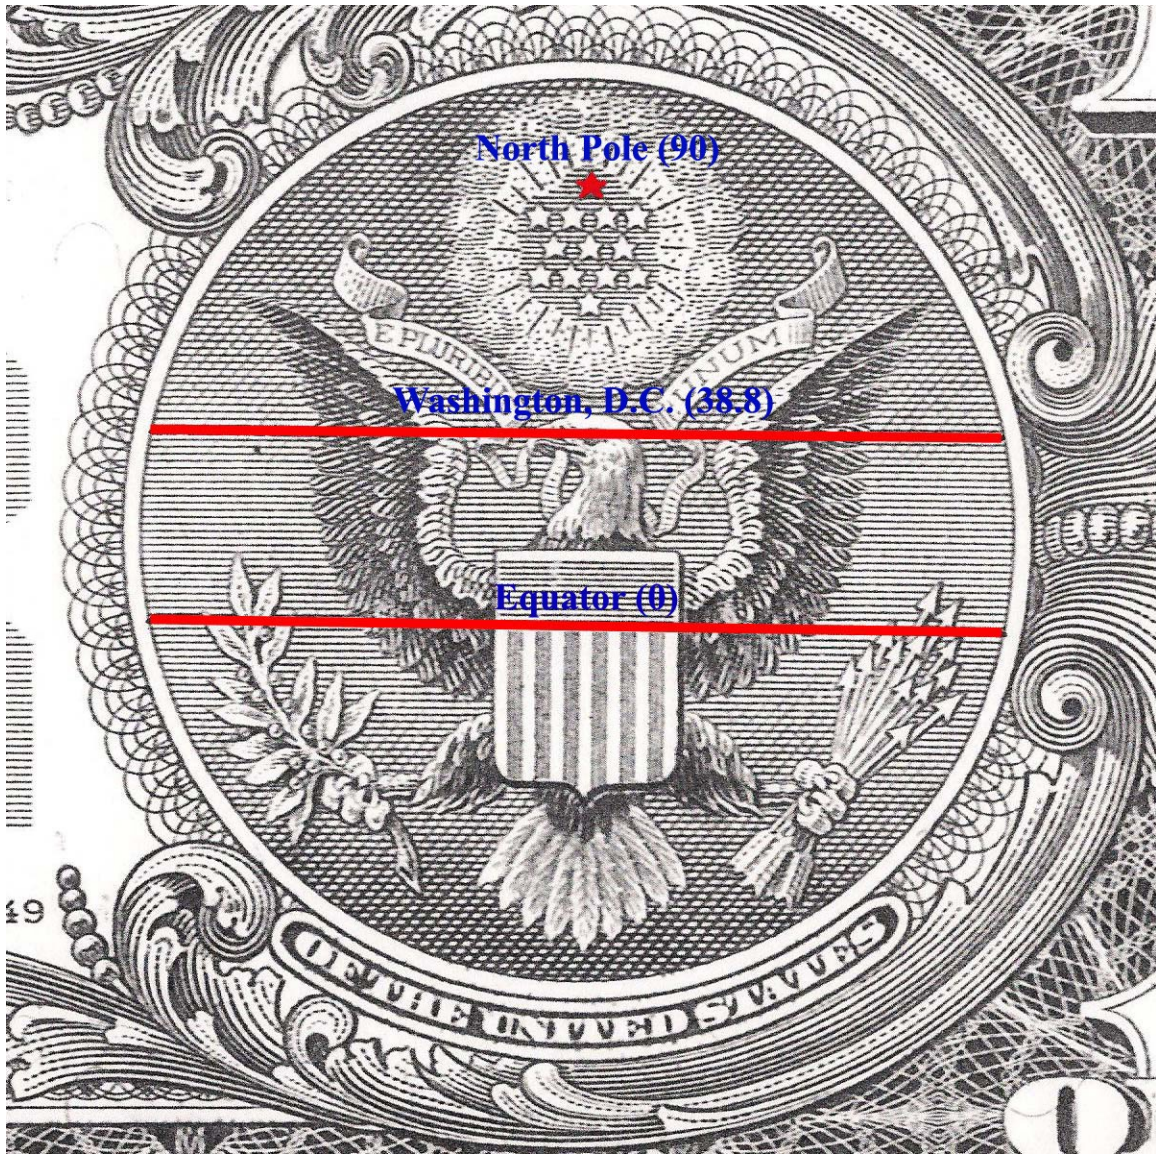

See anything that stands out? How about the pyramid? Many people wonder why a pyramid is on the dollar bill. It is on the dollar bill because it is on the Great Seal of the United States and it is this Great Seal that contains the map. To reveal the map we are going to assume that the Great Seal represents a globe, we are then going to assign an equator for each half of the seal, and then from that equator, calculate the latitude of prominent features on the seal.

Note: For all of the calculations I choose to use a 400% enlargement of the Great Seal on the dollar bill, though any size enlargement could be used.

We will start with the right half of the dollar bill; assigning the bottom horizontal line of the shield as the equator, and the top star as the North Pole and measuring the distance, you get approximately 58 mm. Taking 90 degrees latitude from equator to North Pole and dividing it by 58 mm yields a scale of 1.5517 degrees of latitude per mm. that is the scale that we will use on our 400% enlargements.

If we measure from the bottom line on the shield, our assigned equator, to the eagle's eye, that distance is approximately 25 mm. 25mm times our scale of 1.5517 degrees per mm yields a latitude of approximately 38.8 degrees. That latitude very closely corresponds to the official latitude of Washington, D.C. at 38.8921, and considering the accuracy of the measurements, it is a direct hit!

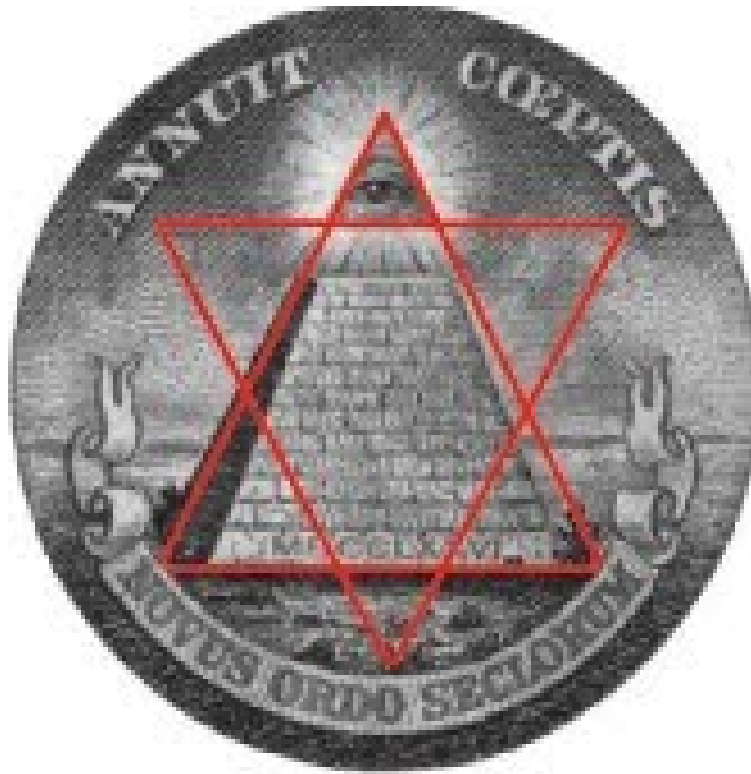

So if the part of the Great Seal with the phoenix bird, I mean eagle, on it—a clear representation of America—is thought of as a globe with the bottom horizontal line of the shield as the equator and the top star as the North Pole then the eagle's eye would represent Washington D.C..

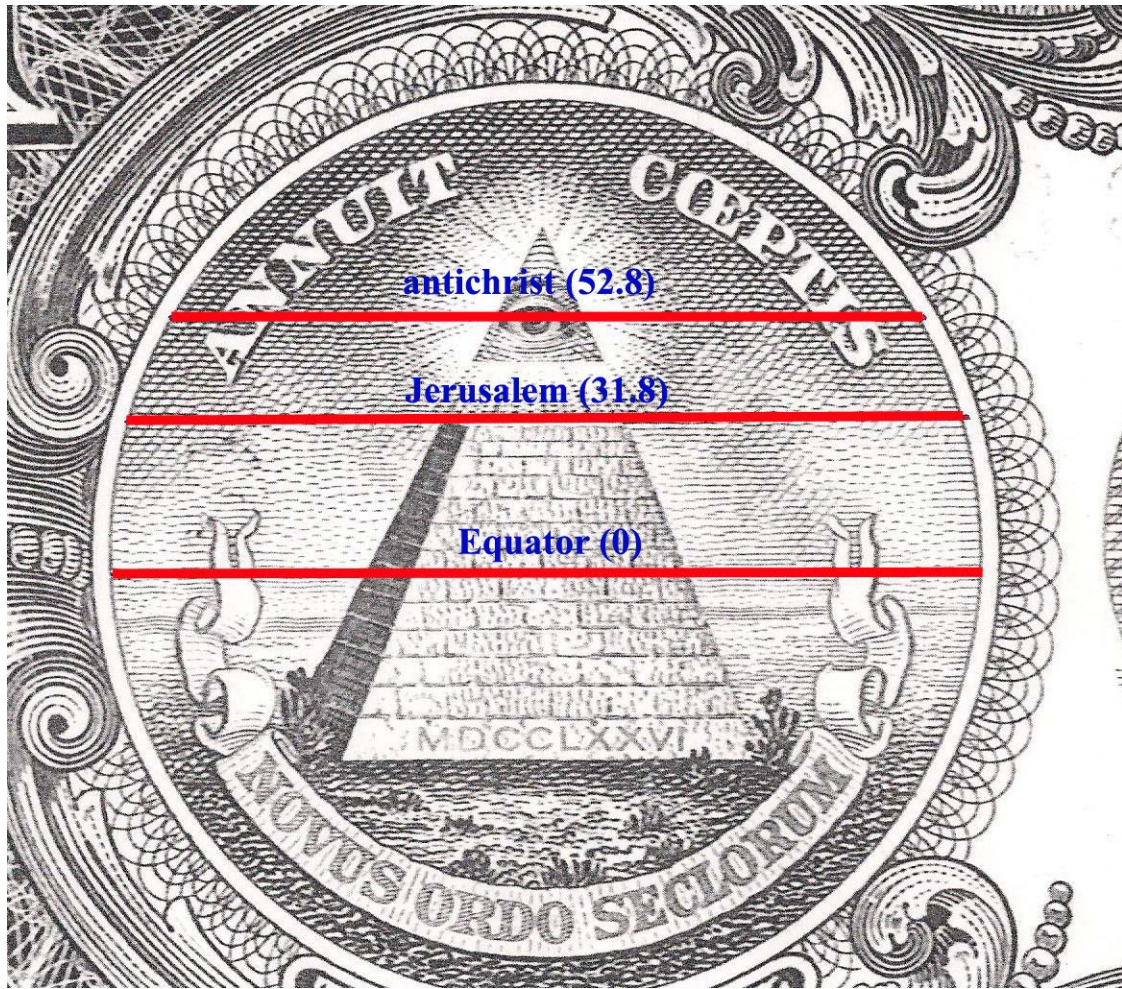

How about the other side of the Great Seal does it have a map on it? Yes it does. We will use the same latitude/distance scale as on the first part of the seal. On this side we will assign the equator to the bottom of the cut out part of the two ribbons. With that line as the equator, if we measure to the top of the pyramid without the capstone, that distance is approximately 20.5 mm. 20.5 mm times our scale of 1.5517 corresponds to a latitude of 31.8 degrees. That latitude very

closely corresponds to the official latitude of Jerusalem at 31.7857, and again considering the accuracy of the measurements, another direct hit!

Why Jerusalem? It is easy to see why the eagle's eye would correspond with Washington D.C., because we are dealing with the Great Seal of the United States, but why Jerusalem on the other half? Because that is where the third Temple will be built—a key part of the establishment of the New World Order. Remember; **ANNUIT COEPTIS NOVUS ORDO SECLORUM—MASON**—announcing the birth of the New World Order.

How about the latitude of the “all seeing eye,” as some call it, does it correspond with anything? The eye is approximately 34 mm from the assigned equator. 34 mm times our scale yields a latitude of 52.8 degrees. What does that correspond with? Knowing what the eye and capstone represents, I would dare say that the latitude of 52.8 will be antichrist related. I am sure many of you are aware that the capstone of the Great Pyramid represents the antichrist and his kingdom—the New World Order—and he will rule the world from Jerusalem after he performs the abomination of desolation in the Third Temple.

Does latitude 52.8 go through anything of prominence that may be antichrist related? Latitude 52.8 goes through the U.K. which happens to be the “mother” of the United States, and many believe is a probable birthplace of the antichrist.

Upon further research I have also found out that 52.8, or the number 528 has great esoteric importance. In fact I found that the number 528 has a connection to the antichrist, the Templar treasure, DNA, tarot cards, healing frequencies, and other esoteric things. It is even claimed that the number 528 holds a key to unlocking great information.

So there we have it; Washington, Jerusalem, The U.K. and the antichrist all encoded on the dollar bill. Yet there is more, so much more.

Yes, there is something else regarding the map on the Great Seal that will lead to what I described in the beginning of this article as unbelievable. This is a little

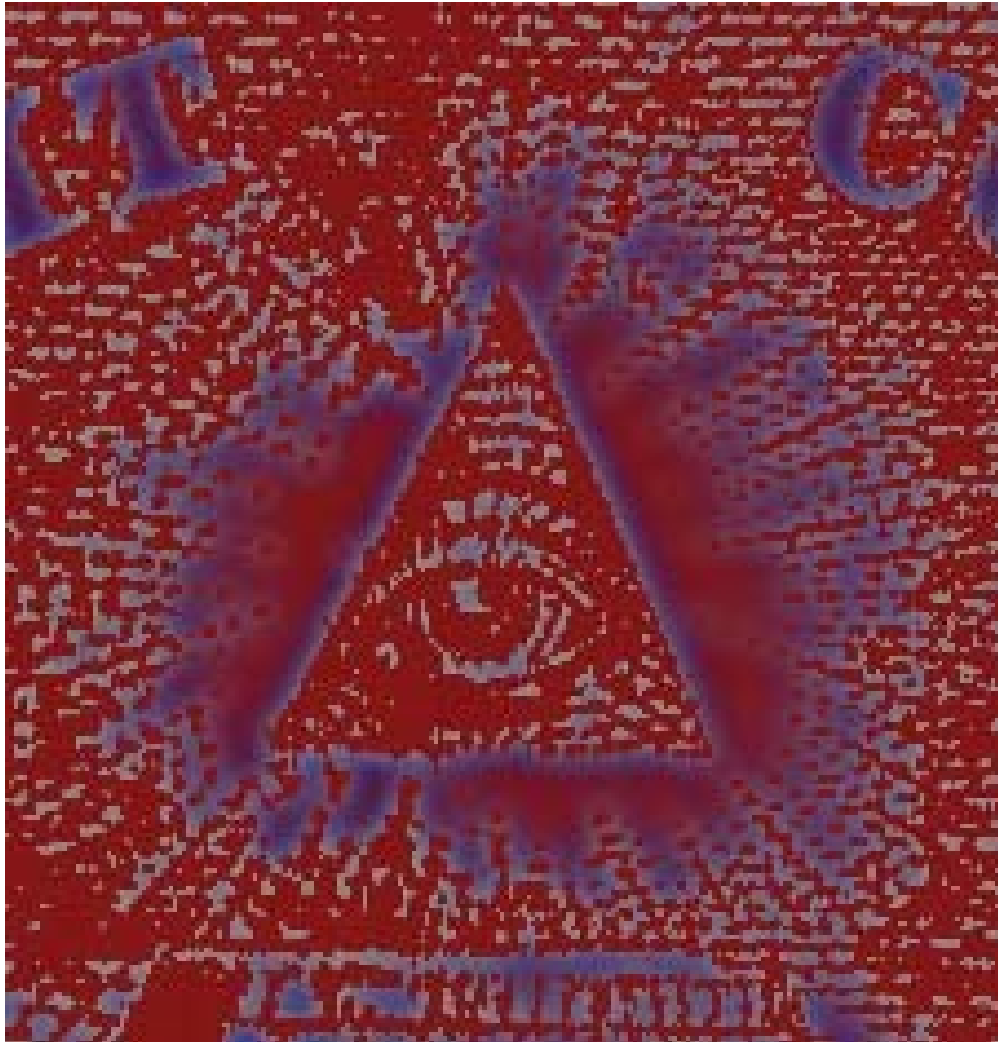

hard to explain and to put into words, so let's back up a little bit. When I was investigating the dollar bill, God prompted me to watch the movie National Treasure, that infamous fictional movie about "illuminati" codes. Remember the illuminati love to give information through Hollywood movies. Do you see the clue of the hour glass and globe on the picture of this medallion from the movie? That tipped me off that maybe there was a hidden map and an encoded date on the Seal—I will address the dates later.

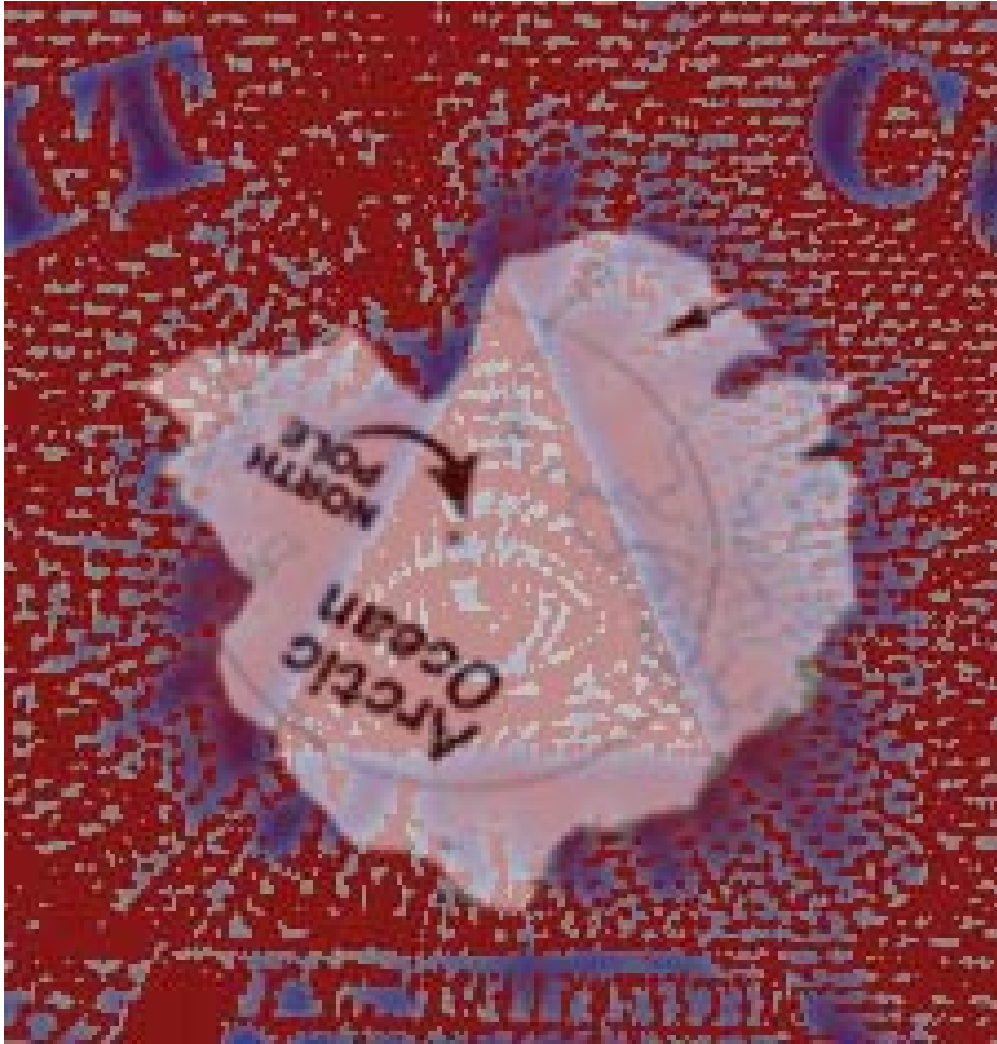

It was from that movie that I also received another clue in deciphering the Great Seal on the dollar bill. The clue was contained in this quote from the movie; "The vision to see the treasured past." In the movie they used a special pair of glasses to see an invisible clue on the Declaration of Independence that would appear while looking through the special glasses—the vision to see the treasured past. The thought came to me; why not look at the Great Seal with a special "pair of glasses" to see if it would reveal anything. I brought a photo of the Great Seal into

Adobe Photoshop and applied the neon glow filter and here is what appeared around the capstone.

Look at the shape of the rays around the capstone. As I pondered what I saw, the thought came to me, that I have seen that shape before. I then looked at the map of the world to see what country or continent the shape would most closely match. As best as I can tell, the shape most closely resembles the Arctic. Of course the Arctic ice cap changes but it is a close match to the shape as depicted in the overlay below from the World Atlas Arctic map. I also find it interesting that the other side of the seal also had an association with the arctic—the North Pole.

<http://www.worldatlas.com/webimage/countrys/polar/arctic.htm>

So what does the Arctic and North Pole have to do with the Great Seal, the antichrist and satan? This is really hard to explain, but bear with me. There is a theory that has been around for many years that the earth is hollow and one of the main entrances to the “underworld” is in the Arctic. The theory further suggests that there is a civilization of alien origin more advanced than ours that live there. There have been several books written about this topic and several credible eyewitness accounts from people who claim to have been there, including Admiral Byrd. Here is his account.

*The first public scientific evidence occurred in 1947 when Rear Admiral Richard E. Byrd of the United States Navy flew directly to the North Pole and instead of going*

*over the pole, actually entered the Inner Earth. In his diary with other witnesses, he tells of entering the hollow interior of the Earth, and traveling 1700 miles over mountains, lakes, rivers, green vegetation and animal life. He tells of seeing monstrous animals resembling the mammoth of antiquity moving through the underbrush. He eventually found cities and a thriving civilization.*

*His plane was finally greeted by flying machines, the type he had never seen before. They escorted him to a safe landing place and he was graciously greeted by emissaries from Aghartha. After resting, he and his crew were taken to meet the Ruler of Aghartha. They told him that he had been allowed to enter Aghartha because of his high moral and ethical character. They went on to say that ever*

*since the United States had dropped atomic bombs on Hiroshima and Nagasaki, they had been very concerned for their own safety and survival. They had decided that it was time to make greater contact with the outside world to make sure we didn't destroy this planet and their civilization with it. They had been allowed in for this express purpose, as a way of making contact with someone they trusted.*

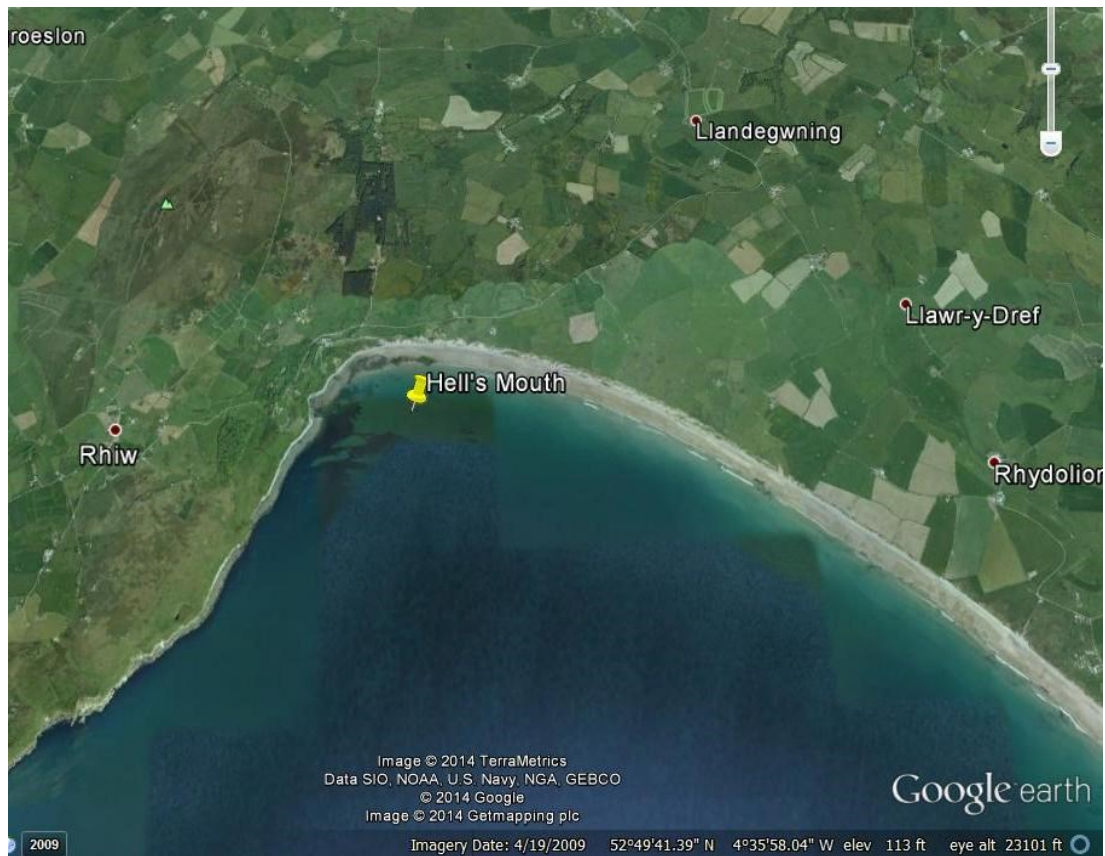

*To make a long story short, Admiral Byrd and his crew, upon their visit, were guided by their hosts in their plane back to the outer world, and their lives were changed forever <http://www.thenewearth.org/InnerEarth.html>. Here is the link to a video about Admiral Byrd's journey to the inner earth.*

<http://www.youtube.com/watch?v=Z2zBz2Nj0k0>

A civilization of alien origin in the inner earth, how bout that! If there is a civilization in the inner earth I can tell you for sure that it is not of alien origin, but of satanic demonic origin. UFO aliens, E.T.s, E.D.s and ascended masters, as they call themselves, are demons and or their spawn.

How fitting for the dollar bill as the trestle board for the destruction of the Old World Order and establishment of the new to contain a map that shows prominent places of esoteric importance, and associates the antichrist and his coming kingdom of deception with the inner earth and UFOs. Oh, BTW; did I mention the Great Seal is reported to have been [handed to Thomas Jefferson by a demon](#)—that ought to give you a clue. And here is another clue—remember the

encoded latitude of 52.8 that goes through the U.K. and is antichrist related—at latitude 52.8 in Wales there is a famous surfing spot called Hell's Mouth.

What does all of this encoded information point to? Besides the obvious coming antichrist led New World Order, I believe it points to an event in scripture known as the great falling away.

Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; 2 Thes 2:3

As you can see from the passage above, this falling away precedes and is linked to the revealing of the antichrist. My research has led me to believe that the coming antichrist will claim to be an extra terrestrial and will come on the scene to “rescue” the world from the destructions of the first 4 Seals. He will also claim to be god—that he, an ascended master of the universe, was the one that started

life on earth and he and his kind have inhabited the inner earth waiting for the proper time to come onto the scene. I believe these events will in turn precipitate the great falling away.

Will you? Will you fall away? I hope not. That is one of the reasons that I am showing you these things; I do not want you to be deceived by what is coming and fall away. The Bible is true, the antichrist and the New World Order are coming, and following him will lead you right into hell's mouth, just as a Biblical explanation of the encoded information on the dollar foretells. The choice is yours.

God wants you to spend eternity in heaven with Him, which is why He sent His Son, the Lord Jesus Christ, to suffer and die for our sins. You can have your sins forgiven, and gain entrance into heaven, by acknowledging that Jesus is God, recognizing you are a sinner and calling out to Jesus to save you. Read a short message about what you must do to be saved called; [God's Gift of Salvation](#).

Christian will you be deceived? Do you know that you will see the antichrist and the great falling away occur as indicated in the Thessalonian passage above? Because it says, "that day"—the Day of the Lord/Rapture—will not occur until after the antichrist is revealed and the Great Falling Away takes place. Are you prepared for those days, or will you be caught unawares. Read [The Coming Epiphany](#) today for FREE.

The next time you pick up a dollar bill I want you to think about these things and pray against the New World Order and their nefarious plans. If I had the power I would do what many politicians have called for—doing away with the Federal Reserve and their satanic vampire money that has sucked the life blood out of this once great country. You know what America; we do have the power, and it's just a matter of waking people up. WAKE UP AMERICA, TIME IS ALMOST UP!

Time, did I mention time? As already alluded to, I also believe that there are several encoded dates on the dollar bill. In fact, some, which I found years ago before the event, have already been fulfilled. **Another date, which is in the very near future, and linked to the Georgia guidestone cube may point to the end of**

**the United States as we know it!** Information that valuable ought to be worth something, don't you think? Thus I am making the encoded date information available for the ironic price of \$1. Might be the best dollar you ever spent!
