■ **Mindgeek — an organization that you have never heard of.** Anonymous (ID: [Or00GgZ](#)) 06/05/17(Mon)13:24:38 No.128612248 >>128614317 >>128615109 >>128615152 >>128615492 >>128615683 >>128615893 >>128615897 >>128616543 >>128618088 >>128618416 >>128619208 >>128612646 >>128613448

Most of you probably are unaware of what "Mindgeek", this company, even is— that's because it is just a shell company that its real masters have gone at great lengths to conceal their operations and identities, and most importantly, their endgame.

This shell company, hidden away in an anonymously structured Luxemburg corporation, owns the following: Brazzers, Digital Playground, Pornhub PornMD, RedTube, Playboy TV, and YouPorn and dozens of gay sites. Most upper-level management and private stakeholders are Jews. They are also one of the largest (((big data))) companies around.

Their goal: to infiltrate and destroy what is left of western society by hypersexualizing anything they can think of and destroying everything we once held sacred. They are trying to break apart the family unit by introducing the populace to sicker and sicker pornography, including most recently, porn that simulates incest. They are trying to normalize homoerotic materials to classically condition people into becoming homosexuals (see behavioral psychologist, B.F. Skinner). They openly work with the media to not only promote their own filth but also to say that there are no downsides to any of it! They managed to create the largest mind virus in our generation, the ultrasexual feedback loop—this is where sexual thoughts actions and behaviors become the a total obsession for people, at expense of productive life goals.

Let's break apart the name. "Mindgeek". Why would a porn umbrella company be called this? What relevance does it have? It has to do with the Jewish owners larger goal; to get inside and infect the minds of everyone (most importantly, white males), to subconsciously affect them. They do not make any money from people who just browse and don't click the ads; but they do get an addicted slave though that now values the short-term pleasure more than any long-term goals in life and will ideally absorb their political conditioning as well. They are pure evil.

I have definitely noticed, in certain threads with damaging information, they can be sled with pictures of very attractive women, as if they're trying to b8 you into jacking off

That's probably one of their strategies

Yes it is. They have a full team that operates on Reddit and 4chan, just look how active pornhub is on reddit and how much random porn is posted here.

You can't think intellectually if you're brought to your most base instinct. It will always outcompete the intellectual aspect of our brain.

Nice find. Hopefully I can stop watching porn for good one day. I struggle to have pride because of how my sexuality has degenerated alongside compulsive porn use.

You know, I do find it interesting that in recent years there top advertised vids are ALWAYS about incest. Mostly mom/son stuff. Even the non-professional ones have that theme. Strange...

LETS DESTROY MINDGEEK

A request for weaponized autism

/pol/ I need your help, all professional anons sign on because we need your help taking out the biggest Jew on Earth. The pornographic Jew. Incase you didn't know, I'll fill you in (Pun not intended), MindGeek is the parent company of EVERY SINGLE MAJOR PORN SITE ON THE INTERNET. Their employee list is PUBLIC. We can start putting some real pressure on these people if we uproot the Jew from down below.

The thing is, you need a linkedin profile with connections to find out who's profile is who's. Anyone who is in video or photo editing, we need you and your connections to help find these people. A lot of these people have profile pictures, which we can reverse image search to find out who they are.

We can seriously attack the Jew on this end, imagine a list of all the people you know for a fact betrayed your race and people. This is what we have right now. 666 employees (Yes I'm not shitting you). Now this is 67 pages of employees, 666 people to find out who they are and their families. Once we got a comprehensive list, we can start a smear campaign against each of them. It would be also smart to forward it to local *sympathetic* organizations who'd be willing to tell the neighborhood of these people and their jobs. I'm sure they'd welcome a person working for a pornography company living in the same neighborhood as their children. Most of these fuckers are Canadian, which figures.

Things to do

>Find names of board of directors of MindGeek

>Find sponsors of MindGeek websites

>Find address of all MindGeek facilities.

>Find names and family members of all MindGeek employees.

>Identify key members such as "Product Management and quality control", "Talent Recruitment", "Content editing", "Video/photo editing"

These people are the ones actually looking for people to exploit and distribute this content. I personally have a vendetta against the fuckers in marketing and advertising, these people are the ones who keep making those ads where the pornstars look like they're underage. Its pedo bait and I fucking hate it.

EMPLOYEE LIST

That I could find myself with my connections

<https://pastebin.com/bdFMWCS7>

<http://imgur.com/a/jwCn9> (Photographs of the people I can't connect with but may have important connections into the porn industry)

Linkdin employee page

Watch out while using this, don't click on any profiles or else you'll reverse doxx yourself

<http://www.linkedin.com/company/mindgeek>

This is big, very big. If we can take out these people from the job market and make Mindgeek a hostile place to work at, we can pretty much destroy the Jewish foothold on American sexuality. Damn near every American boy watches pornography, this is an influence that no one else has and the Jews know it. This is probably our best chance to reverse it.

Remember

These 666 people have taken root into the entire world through their degenerate and disgusting filth. Removing this shit from the market is a public service. This will take a long time and I need all the help I can get, but no one thought that removing the Jewish tentacles would be easy. This list is a massive break for us.

These are the people more than likely recruiting and buying from outsourced directors. They're also more than likely the ones putting out the requests for specific acts and scenes. Important.

Great idea, but we are going to need novel tactics, emailing advertisers like GG will not work, nor will public shaming work on people who are shameless degenerates. I would suggest /dox/ing and old fashioned ruin life tactics and such as a start, if we can dig up any tangentially related malfeasance like money laundering, pedo shit, etc. that would be the silver bullet. No one pays for porn anymore, I am 90 percent sure their business model is mostly laundering for organized crime. That said if they have swiss shells those are pretty much immune to prosecution for financial crimes because of their bank immunity/opacity laws so IDK.

>I am 90 percent sure their business model is mostly laundering for organized crime

Turns out they've already been investigated for this, but apparently the feds can't prove shit

>But the sprawling company, which previously operated under the names Mansef and Manwin, has run afoul of the law on numerous occasions. In 2009, the Secret Service seized \$6.4 million in funds from two fidelity bank accounts controlled by Mansef, with Feds accusing the syndicate of money laundering; and in 2012, its then-owner Fabian Thylmann, a young German programmer once hailed as the Mark Zuckerberg of porn, was arrested on charges of tax evasion.

>What Pornocracy does is raises plenty of questions concerning MindGeek's operations. Why is it headquartered in Luxembourg, a notorious tax haven, when most of its operations appear to be run out of Canada? Do Wall Street hedge funds have a controlling interest in the company? Who is actually pulling the strings? How are these sites not violating copyright laws? And why is the money allegedly being routed through various countries to performers?

>"They're a fishy, weird company," says Stoya, a Digital Playground contract girl from 2007-2013, in the film. "My Fleshlight royalties, when the wire transfers come in, go through banks in places like South Africa. They have offices in Ireland. It's a bunch of men with Greek last names and thick Greek accents claiming to be Quebecois."

Yup they do, which are usually contracted through a bunch of those smaller companies. I'm wagering though, that a lot of these companies make money through non advertisement platforms (Purchasing "Premium packages" as well as virus pop ups), meaning that going after the roots itself would be more productive.

Interesting, SARL is the European LLC (Limited Liability Corporation) this basically just means that no matter what the company does, its employees are not 100% liable for the decision. This is common on content distribution platforms. I can't find any shareholders due to the company being private, I wonder if anyone living in Luxembourg wants to dig through their trash for any shredded receipts. If they're smart, they'll be burning any noneeded records they have instead of throwing them away.

Its possible for someone who lives there that could install a raspberry pi outside their headquarters (Connected to a brick lithium ion battery) and break the wifi encryption (Most companies still use WPA2, which I think got cracked a while ago. Correct me if I'm wrong). Then you can packet sniff anyone. This is illegal, so don't do it. But yeah it could give some interesting leads.

Another thing that is possible for anyone technically inclined is to use a polarized microphone and aim it at a window. This doesn't break any laws that I know of.

You could also pull the old "I got a meeting with so and so" and place a tiny wireless microphone in a tiny spot. There are things that work as cameras but look like usb chargers. Interesting ideas. Again, illegal so don't do it, but something to look at and speculate.

>nor will public shaming work on people who are shameless degenerates

I don't agree with this. Mindgeek has managed to keep an extremely low profile. I can only assume that's intentional. They probably don't want a lot of scrutiny on their operations. We can change that by making them much more famous. Meme the idea that Mindgeek owns every porn site on the internet, make them synonymous with porn. If people catch onto the idea that one company owns all the porn, it changes the way they think about porn. Instead of a pervasive force, it's a product being pushed by a specific group.

I would focus on the social engineering operations of mindgeek, especially the attempts to normalize incest by aggressively pushing those kinds of ads. >There's an exception to every rule

To this day I'm still surprised that people believe rules are absolute. It's like no one knows that exceptions are what prove the rule. Rules are better understood as rigid guidelines. An example of this:

Rule: All niggers are stupid.

Exception: There exists a nigger who has adequate intelligence.

Reason for exception: He is mixed and his white mixture granted him his adequate intelligence, intelligence does not come from the nigger. He is thus a mulatto. Regardless of his "adequate" intelligence, his intelligence and any potential (and hopefully avoidable) spawn will still be inferior.

Thus the rule is still true. Exceptions only prove the rule.

It's odd; growing up before the Internet, the prototype progressives and left leaners despised Pornography and now they adore it so much they willingly engage in marketing it. Also

Update

I've started doxxing these people, though I'm just one guy and there's well over a hundred names here. Any help would be appreciated. In the mean time,

MADELINE KUENNEN

Likely lives near her parents in Lincolnshire Illinois.

Her father's name is Tom Kuennen and his face book is here

<https://www.facebook.com/tom.kuennen.94?fref=ufi>

Her known usernames are

madelinekuennen , themadelinelk and she grew up in Missouri. The second pic is why you should be out for her.

If anyone has some mad geolocation skills, get to work because she maintains a lot of operations with pornstars such as community outreach.

Also here is Brett's information, though I don't have much. I also noticed a lot of facebook profiles are down, he probably tipped them off.

PORNOGRAPHY STATISTICS AND COMMENTARY

<http://jonmillward.com/blog/studies/deep-inside-a-study-of-10000-porn-stars/>
<https://archive.is/Jfpv3>

Interesting tidbits

>The ten most prolific male performers, on average, have slept on-screen with 1,013 different women each

>70.5 PERCENT OF ALL PORN STARS ARE WHITE

More for the argument that Californians cannot be saved.

>90% of legal American porn is produced in California's San Fernando Valley
>939 female porn stars are born in California

The porn industry employs primarily young adults and teenagers and targets children

>The average age a child first experiences pornography (including OP) is 11
>The teenage category is the most popular at 1966 titles
>the average age of a woman when she gets into porn is 22 years old
>lightest woman, who weighs 10 times less, at 74 pounds (the same as the average American 10-year-old girl)

EFFECTS ON AMERICAN POPULATION

>40 million Americans regularly visit pornographic sites
>70 percent of all men visit pornographic sites
>1 in 4 of all searches are pornographic
>1 in 10 websites are pornographic
>in the US, 2.84 billion dollars are spent on pornography

Effects on religion

>The most popular day of the week to watch porn is Sunday

UTAH NUMBER 1 IN ONLINE PORN SUBSCRIPTIONS.

<http://www.deseretnews.com/article/705288350/Utah-No-1-in-online-porn-subscriptions-report-says.html>
<https://archive.is/TYqci>

The time has come where we honestly take a sense of self reflection. I know a lot of you, a very large amount, still watch porn. Most of you think that you personally don't matter in the grand scheme of things, that your habits won't change your outlook on life or women or any of that. I'm sure even a large amount of you watch very degenerate things such as sodomy or homosexual films, or even "solo films" which are supposed to 'not be degenerate because they appreciate the white female body.'

Supporting ANY industry that destroys both sexual morality and sets a precedent for objectifying women should be rejected. These women could be mothers, teachers, engineers, biologists, architects among various other jobs. Instead they waste the thousands of dollars taxpayers spent on them for education to exploit their natural advantage in the world for money.

Stop watching porn.

Not tomorrow. Not "just after this". Don't decrease your porn. Don't say "I'll read erotic fiction". Don't "Fap to images instead". Don't support "Non degenerate porn", there's no such thing. Stop watching it. When you feel horny, masturbate, no fap is retarded, but do not do it to porn. You'll feel horny 2, 3, 4 times a day at first. After about 2 weeks you won't have it anymore. That urge to open a new tab in your browser. Don't resist your natural biological urges to reproduce. Resist the Jewish industry that employs children, targets children and degrades women in the name of capitalism.

Remember that Porn is allowed in the US because it helps us be controlled. When Israel first started stepping further into Palestine, they took over the television stations and forced it to only air pornography. They did this as a form of demoralization against the heavily anti-porn arabs.

>Yes, we shall set them to work, but in their leisure hours we shall make their life like a child's game, with children's songs and innocent dance. Oh, we shall allow them even sin, they are weak and helpless, and they will love us like children because we allow them to sin. We shall tell them that every sin will be expiated, if it is done with our permission, that we allow them to sin because we love them, and the punishment for these sins we take upon ourselves. And we shall take it upon ourselves, and they will adore us as their saviours who have taken on themselves their sins before God. And they will have no secrets from us.

-Fyodor Dostoevsky

1 in 4 porn stars have STDS

<http://www.laweekly.com/news/1-in-4-porn-stars-has-had-gonorrhea-or-chlamydia-ucla-study-says-4778033>
<https://archive.is/4JCyl>

EFFECTS OF PORN

>Once [the pornography actresses] are in the industry they have high rates of substance abuse, typically alcohol and cocaine, depression, borderline personality disorder [...] The experience I find most common among the performers is that they have to be drunk, high or dissociated in order to go to work. Their work environment is particularly toxic [...] The terrible work life of the pornography performer is often followed by an equally terrible home life. They have an increased risk of sexually transmitted disease (including HIV), domestic violence and have about a 25% chance of making a marriage that lasts as long as 3 years

No, anything that can change your views of women as people (even if current women of these days aren't really people) like that should be avoided. But this is a you thing, not a me thing. You make up your own rules in life just like everything else. But you should avoid this shitty industry.

>88% of scenes contain physical aggression (principally spanking, gagging, slapping, etc.)

>Increased marital distress, and risk of separation and divorce

>Decreased marital intimacy and sexual satisfaction

>Increased appetite for more graphic types of pornography and sexual activity associated with abusive, illegal or unsafe practices

>Those exposed to more pornography attached more value to casual sex (i.e. sex without emotional involvement)

>More porn exposure decreased the value one placed on the institution of marriage, one's desire for children, and the need for faithfulness in a relationship

>Porn seemed to condition participants to trivialize rape. Participants were asked to read about a legal case where a man raped a female hitchhiker and then recommend a length for the rapist's prison sentence. Males in the No Exposure Group said 94 months; the Massive Exposure Group said 50 months

USEFUL THINGS TO KEEP IN MIND

These images are from this thread I made a long while back. <https://archive.is/oApKb>

Pornography is the most open and blatant pushing of organized Jewry. Help us destroy them and restore our people.

Simultaneously, in case you are a family member, this will grant you a manager position even if you don't have a clue about the work of the department you are leading.

>art or porn?

Well, here's an idea I've been thinking about lately. If you are still interested in looking at something during the refractory period that happens immediately after orgasming, then there is *some* level of artistic/aesthetic value to it and it is more than just porn. If, however, it just bores or disgusts you, then it is merely porn.

Most hentai, even if it's just there for fap material, at least does try to either create an interesting scenario for the lewdness, or tries to give the characters some semblance of a personality, especially in vanilla doujins or multi-chapter stories.

Again, it's all just porn. But Japs a lot of times do try to give you boners in both the dick and the heart.

So your theory is that the Jews are the one's that are implementing the degeneracy in society through pushing porn ? What about Saudi Arabia where broads walk around in bee suits and men aren't allowed to jack off? They look at their laptops and there's even more degenerate goat fuck going on.

The incestuous categorical sloping of porn lately isn't "Jews pushing the genre", its literally that people are searching that, and content producers get money for views - so they put that in the title. If a "Brother jizzes on sisters toe" gets x2 the views as "My sensual fuck" of course they're going to put that in the title. Its supply and demand....

Maybe, instead of doxxing employees who probably just want a fucking job (because lets be honest, you get blacklisted after you work in porn if you're a photographer or whatever) like a virtual abortion clinic suicide autist, we have a discussion about what's pushing all of this in the first place?

How about you solve problems like divorce, or single-parent households? Leading to hot step brothers/sisters? Hot step dads you want to fuck?? Or the self confidence of young white men? What's causing that? What's causing a cuck fetish? Have you ever thought that maybe these are the roots of all the "step-bro" "step-sis" etc shit?

I mean, FFs, theres a "Fetish Zone" ad on this fucking imageboard.

Did hitler "dox" all the degenerates in Berlin during Weimar? No. He gave them opportunity.

I'm not saying its a problem - I'm saying that you're focusing your effort on the effect and not the cause.

The Punishment of My People The Israelis

"Israel, you too shall not be utterly unpunished, but you too shall suffer My wrath. For I have seen your works of evil around the world, and I AM highly displeased, I AM even bursting with anger and rage against you. For you should know better, but you do it anyways. For this I AM going to put you into Hell, and you shall be consumed from the land, and few survive, except you repent and receive My Son of grace, whom you crucified with anger and malice of heart. The LORD has spoken. Amen."

For I am with thee, saith the LORD, to save thee: though I make a full end of all nations whither I have scattered thee, yet I will not make a full end of thee: but I will correct thee in measure, and will not leave thee altogether unpunished. Jeremiah 30:11 KJV

For, lo, I begin to bring evil on the city which is called by my name, and should ye be utterly unpunished? Ye shall not be unpunished: for I will call for a sword upon all the inhabitants of the earth, saith the LORD of hosts. Jeremiah 25:29 KJV

Who both killed the Lord Jesus, and their own prophets, and have persecuted us; and they please not God, and are contrary to all men: Forbidding us to speak to the Gentiles that they might be saved, to fill up their sins away: for the wrath is come upon them to the uttermost. 1 Thessalonians 2:15-16 KJV

Thine hand shall find out all thine enemies: thy right hand shall find out those that hate thee. Thou shalt make them as a fiery oven in the time of thine anger: the LORD shall swallow them up in his wrath, and the fire shall devour them. Their fruit shalt thou destroy from the earth, and their seed from among the children of men. Psalm 21:8-10 KJV

The Punishment of Pedophiles and Perverts

"Tell them I will judge them. Tell them they are going to Hell. They will be punished in eternal Hell, all those who abuse My children and babies, and those who sacrifice them to Satan. Oh how My anger burns hot against those who abuse My children and babies, and sacrifice them to the enemy Satan, and eat their flesh, drinking their blood in Satanic rituals. Oh how My anger burns hot against those evil scoundrels who abuse My children, it will have been better than they had never been born. Oh the punishment in store for all eternity in Hellfire for those who abuse My children and infants. I will punish them forever, Brian, and few will escape My wrath and be saved in their lifetime. Few will make it to My Heaven, My son. They prefer sexual pleasure to living holy and pure, Satanic sacrifices and orgies to My gain. Oh how My wrath burns against them. The country will be destroyed because of them. Expect Washington and New York destroyed by nuclear fire, and the rest rounded up and executed throughout the land by lynch mobs, the angry public motivated by My anger and rage. Oh how few will escape the lynch mobs, to escape with their lives to other lands. Brian, this evil must be cleansed from the land, I will make sure of it. Many will be executed publically for molesting My children, and sacrificing them to Satan. Many will perish because of them, the angry public will perform the job of cleansing the land. Oh the stench of sin reaches the Heavens, and America won't last much longer in its present state, for the pedophiles will be rooted out of the land, and apathy will be no more. Few will make it to My Heaven, and the slain of the Sword of the LORD will be many. Expect it! The LORD of Hosts has spoken. Amen!"

At the same time came the disciples unto Jesus, saying, Who is the greatest in the kingdom of heaven? And Jesus called a little child unto him, and set him in the midst of them, And said, Verily I say unto you, Except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven. Whosoever therefore shall humble himself as this little child, the same is greatest in the kingdom of heaven. And whoso shall receive one such little child in my name receiveth me. But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea. Woe unto the world because of offences!

for it must needs be that offences come; but woe to that man by whom the offence cometh! Wherefore if thy hand or thy foot offend thee, cut them off, and cast them from thee: it is better for thee to enter into life halt or maimed, rather than having two hands or two feet to be cast into everlasting fire. And if thine eye offend thee, pluck it out, and cast it from thee: it is better for thee to enter into life with one eye, rather than having two eyes to be cast into hell fire. Take heed that ye despise not one of these little ones; for I say unto you, That in heaven their angels do always behold the face of my Father which is in heaven. Matthew 18:1-10

And whosoever shall offend one of these little ones that believe in me, it is better for him that a millstone were hanged about his neck, and he were cast into the sea. Mark 9:42

Then said he unto the disciples, It is impossible but that offences will come: but woe unto him, through whom they come! It were better for him that a millstone were hanged about his neck, and he cast into the sea, than that he should offend one of these little ones. Luke 17:1-2

Rejoice over her, thou heaven, and ye holy apostles and prophets; for God hath avenged you on her. And a mighty angel took up a stone like a great millstone, and cast it into the sea, saying, Thus with violence shall that great city Babylon be thrown down, and shall be found no more at all. Revelation 18:20-21

CONCENTRATION CAMPS FOR AMERICANS

<https://www.mediafire.com/?klkavjoc6iasq58>

How would you like to enter one the over 600 American concentration camps across the USA? The barbed wired, shackle embedded camps have been built and are awaiting to enslave huge numbers of the population. Should a fitting event take place, current laws allow FEMA to legally incarcerate civilians into these camps. The Federal Government admits plans to detain millions of people, Rex 84, short for Readiness Exercise 1984, was a plan by the United States federal government to test their ability to detain large numbers of American citizens in case of massive civil unrest or national emergency. Exercises similar to Rex 84 happen periodically. Plans for roundups of persons in the United States in times of crisis are constructed during periods of increased political repression such as the Palmer Raids and the McCarthy Era. For example, from 1967 to 1971 the FBI kept a list of persons to be rounded up as subversive, **dubbed the "ADEX" list**

The U.S. Military is Preparing for Martial Law against the American People! Even before 9/11, the Military has been training our soldiers how to shut down cities, confiscate guns, and put Americans in camps. Read for yourself.

THE PROPHETIC JUDGMENT OF JUDAISM AND ALL FALSE RELIGIONS AND ORDERS

But woe unto you, scribes and Pharisees, hypocrites! for ye shut up the kingdom of heaven against men
"It is a stench in My sight, false religious worship. All must be punished, all must go to Hell, those who refuse Me, to come out of false religions and orders. All must be punished, unless they repent. The LORD has spoken!"

"False religious orders must perish. I have decreed it. That goes for Judaism. Many will perish by My hand. They refuse to repent. Your LORD has spoken."

He replied, "Every plant that my heavenly Father has not planted will be pulled up by the roots. Matthew 15:13

"Be careful," Jesus said to them. "Be on your guard against the yeast of the Pharisees and Sadducees." But when he saw many of the Pharisees and Sadducees coming to where he was baptizing, he said to them: "You brood of vipers! Who warned you to flee from the coming wrath?" Matthew 3:7, 16:6

But even if we or an angel from heaven should preach a gospel other than the one we preached to you, let them be under God's curse! Galatians 1:8

Come and see what the LORD has done, the desolations he has brought on the earth. Psalm 46:8

Ye worship ye know not what: we know what we worship: for salvation is of the Jews. But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him. God is a Spirit: and they that worship him must worship him in spirit and in truth. John 4:22-24

Then spake Jesus to the multitude, and to his disciples, Saying The scribes and the Pharisees sit in Moses' seat: All therefore whatsoever they bid you observe, that observe and do; but do not ye after their works: for they say, and do not. For they bind heavy burdens and grievous to be borne, and lay them on men's shoulders; but they themselves will not move them with one of their fingers. But all their works they do for to be seen of men: they make broad their phylacteries, and enlarge the borders of their garments, And love the uppermost rooms at

feasts, and the chief seats in the synagogues, And greetings in the markets, and to be called of men, Rabbi, Rabbi. But be not ye called Rabbi: for one is your Master, even Christ; and all ye are brethren. And call no man your father upon the earth: for one is your Father, which is in heaven. Neither be ye called masters: for one is your Master, even Christ. But he that is greatest among you shall be your servant. And whosoever shall exalt himself shall be abased; and he that shall humble himself shall be exalted. But woe unto you, scribes and Pharisees, hypocrites! for ye shut up the kingdom of heaven against men: for ye neither go in yourselves, neither suffer ye them that are entering to go in. Woe unto you, scribes and Pharisees, hypocrites! for ye devour widows' houses, and for a pretence make long prayer: therefore ye shall receive the greater damnation. Woe unto you, scribes and Pharisees, hypocrites! for ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves. Woe unto you, ye blind guides, which say, Whosoever shall swear by the temple, it is nothing; but whosoever shall swear by the gold of the temple, he is a debtor! Ye fools and blind: for whether is greater, the gold, or the temple that sanctifieth the gold? And, Whosoever shall swear by the altar, it is nothing; but whosoever sweareth by the gift that is upon it, he is guilty. Ye fools and blind: for whether is greater, the gift, or the altar that sanctifieth the gift? Whoso therefore shall swear by the altar, sweareth by it, and by all things thereon. And whoso shall swear by the temple, sweareth by it, and by him that dwelleth therein. And he that shall swear by heaven, sweareth by the throne of God, and by him that sitteth thereon. Woe unto you, scribes and Pharisees, hypocrites! for ye pay tithe of mint and anise and cummin, and have omitted the weightier matters of the law, judgment, mercy, and faith: these ought ye to have done, and not to leave the other undone. Ye blind guides, which strain at a gnat, and swallow a camel. Woe unto you, scribes and Pharisees, hypocrites! for ye make clean the outside of the cup and of the platter, but within they are full of extortion and excess. Thou blind Pharisee, cleanse first that which is within the cup and platter, that the outside of them may be clean also. Woe unto you, scribes and Pharisees, hypocrites! for ye are like unto whited sepulchres, which indeed appear beautiful outward, but are within full of dead men's bones, and of all uncleanness. Even so ye also outwardly appear righteous unto men, but within ye are full of hypocrisy and iniquity. Woe unto you, scribes and Pharisees, hypocrites! because ye build the tombs of the prophets, and garnish the sepulchres of the righteous, And say, If we had been in the days of our fathers, we would not have been partakers with them in the blood of the prophets. Wherefore ye be witnesses unto yourselves, that ye are the children of them which killed the prophets. Fill ye up then the measure of your fathers. Ye serpents, ye generation of vipers, how can ye escape the damnation of hell? Wherefore, behold, I send unto you prophets, and wise men, and scribes: and some of them ye shall kill and crucify; and some of them shall ye scourge in your synagogues, and persecute them from city to city: That upon you may come all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias son of Barachias, whom ye slew between the temple and the altar. Verily I say unto you, All these things shall come upon this generation. O Jerusalem, Jerusalem, thou that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together, even as a hen gathereth her chickens under her wings, and ye would not! Behold, your house is left unto you desolate. For I say unto you, Ye shall not see me henceforth, till ye shall say, Blessed is he that cometh in the name of the Lord. Holy Bible, Matthew 23

THE PROPHETIC JUDGMENT OF HOMOSEXUALS AND LESBIANS

"They must be punished! I can't stand them! They're hateful to My soul! I will punish them eternally! I can't stand them, homosexuals. They will be punished forever. The LORD has spoken."

"I've given them many chances to repent. They hate My Son, Jesus Christ. I will punish them forever! I have spoken."

"Homosexuals will be punished forever in the pit of Hell. I did not create them that way. I hate it when they say that. Satan has perverted them. They must be delivered, or they will burn in Hell forever. I have spoken."

"They must repent, or I will punish them forever. They must be punished, amen. Your LORD has spoken, amen."

"Repent homosexuals! Your LORD has spoken, amen."

PROPHECY TO LESBIANS:

"I did not create them for each other. They must have a man. Satan has perverted their lives incredibly. They must come out of lesbianism, or I will punish them forever. I love them, but they refuse to repent. I will punish them forever. Your LORD has spoken."

"They must repent, or I will punish them forever! Your LORD has spoken."

PROPHECY TO PRO-GAY LEGISLATORS AND ACTIVIST JUDGES

"I will punish! They will have all eternity to regret their decision. Your LORD has spoken."

"Eternal damnation awaits those who do not repent. Many will fall into Hell forever. You must deliver the captives. I have spoken."

"Repent, My son! I have spoken."

For Jerusalem is ruined, and Judah is fallen: because their tongue and their doings are against the Lord, to provoke the eyes of his glory. The shew of their countenance doth witness against them; and they declare their sin as Sodom, they hide it not. Woe unto their soul! for they have rewarded evil unto themselves. Say ye to the righteous, that it shall be well with him: for they shall eat the fruit of their doings. Isaiah 3:8-10 Holy Bible, King James Version (KJV)

Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God. 1 Corinthians 6:9-10 Holy Bible, King James Version (KJV)

For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness; Because that which may be known of God is manifest in them; for God hath shewed it unto them. For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse: Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, they became fools, And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things. Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves: Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen. For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient; Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, Backbiters, haters of God, despiteful, proud, boasters, inventors of evil things, disobedient to parents, Without understanding, covenantbreakers, without natural affection, implacable, unmerciful: Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them. Romans 1:18-32 Holy Bible, King James Version (KJV)
